## What is the Pine Bluff – White Hall Metropolitan Planning Organization

In 1974, SARPC was designated by the Governor as the Metropolitan Planning Organization (MPO) for transportation planning for the Pine Bluff Metropolitan Statistical Area. The formal name of the transportation planning program is the Pine Bluff Area Transportation Study (PBATS). The PBATS program was established in accordance with the Federal Highway Act of 1962, which required urban areas of more than 50,000 populations to create and maintain a **continuing, comprehensive** transportation planning process carried on **cooperatively** by state and local communities in order to meet the transportation needs of public while complying with local, state, and federal rules and guidelines. The PBATS area encompasses the cities of Pine Bluff, White Hall, and portions of the unincorporated areas of Jefferson County that make up the Metropolitan Urbanized area as defined by the U.S. Census.

## Report Objective

This report identifies projects in the Pine Bluff – White Hall Metropolitan Planning Area for which Federal funds were obligated between October 1, 2024, and September 30, 2025 (2025 Federal Fiscal Year). Obligation of funds reflects the Federal government's commitment to pay or reimburse the State of Arkansas and/or local entities for the federal share of a project's eligible costs. Obligation of funds does not necessarily imply that work on a project began in the year of obligation. Additionally, the amount of Federal funds obligated may not be equal to the total cost of a project, which may also include commitments from the State of Arkansas and local entities.

This report is published pursuant to 23 U.S.C. Section 134, 49 U.S.C. Section 5304, 23 CFR Section 450 and 49 CFR Section 613, which require the preparation of an annual list of projects for which Federal funds were obligated in the previous federal fiscal year. The list of FHWA obligated projects includes highway projects described by location, phase and the amount of Federal funds obligated; and the list of FTA obligated projects includes transit projects described by recipient, the type of assistance received, and the amount of Federal funds obligated.

***Transportation projects undertaken without the use of federal funds are not identified in either list.***

## Summary of Federal Transportation Obligations in FFY 2025

As indicated in Table 1, between October 1, 2024, and September 30, 2025, the Federal government obligated approximately \$ 139,911,918 for highway projects within the Pine Bluff – White Hall MPO area. Construction costs accounted for \$ 35,982,357. Transportation Alternative Funding which includes bike and pedestrian facilities totaled \$ 264,000 while the remaining amount of \$ 103,665,561 went toward engineering, consulting and utility relocation on other listed projects as shown in the table.

Table 2 shows Federal obligation to local transit operations for FFY 2025. Total obligations for the Pine Bluff – White Hall MPO area amounted to \$ 18,224,783. This total represents an investment in capital equipment purchases of \$ 7,199,328 with the remaining portion of \$ 11,025,455 allocated to transit operations, maintenance, and paratransit service.
