

7

NOTE
This addition was surveyed for Thomas I. James and Joel T. Stimpson and comprises the west fractional half of fractional section 4, T.6.S.R.9.N. Streets running east and west are 75 feet wide except Broadway Street which is 100 feet wide. All streets running north and south are 60 feet wide. Alleys are 18 feet wide. All whole blocks are 240 feet east and west by 320 feet north and south except the fractional blocks which are of the dimensions shown.
The above certified by Jno. J. Martin, County Surveyor Apr. 18, 1871, filed for record at 5:00 P.M., Apr. 2, 1884 and duly recorded Apr. 8, 1884.
